Charles E. Cosby Killed.

Charles E. Cosby, well known in his section of Arizona as a steady straightforward man, and first-class cow hand, met with a sudden and violent death between Dragoon Sumnit and the ranch of Wm. Fourr on Friday afternoon of last week. He was n the employ of the Smythe Cattle Company, and, with Tommy Clark, nother employee of that company, had gone to the Dragoon country in search of stray cattle. Late in the afternoon Messrs. Mining Notes.

Prospector Mr. Severance is shipping about seven carloads of ore per week from his mine in the Turquois. The coming week will see the completion of a tramway nearly 700 feet in length, which will do away with the slow and expensive packing of the ore down the mountain side, and facilitate the loading. It is intended after that to increase the output considerably. Mr. Fisher has had men at work for several days in the Vizina mine, putting the diamond drill in place on

the 200-foot level. He thinks he will coming week. The Delhi is turning out to be a good claim. It is worked by two parledges. The party working one of the old shafts shipped a carload of good ore this week, and the other chloriders are not any Indians out, and to make

AUG. WATERMAN, Secretary, Office, Room 26 Nevada Block, 309 Montgomery Street, San Francisco, California.

Friday morning dawned clear and warm; the sun shope with its/ usual brilliancy, and as the hours of the day cheer him up, but his words were thick delirium of despair, Frank made a final search for water, but his efforts were vain. As he fell in a spasm of pain, he heard the welcome sound of an approaching horseman. A shout, a last despairing cry, and—a cheerful reply, help at last was at hand. The mail-rider J. Martinez, jumped down from his horse and gave the boys a drink from his canteen and soon the precious fluid flowed down the other brother's throat. Coolingly and grate fully the magic elixir-pure water-
